## FEBRUARY'S THEME: LOVE AND CREATIVITY

Hello, Crafters!

February is the month of love, and there's no better way to show someone you care than with a handmade gift. Whether you're an experienced crafter or newbie, handmade cards and gifts are the perfect way to say "I love you!"

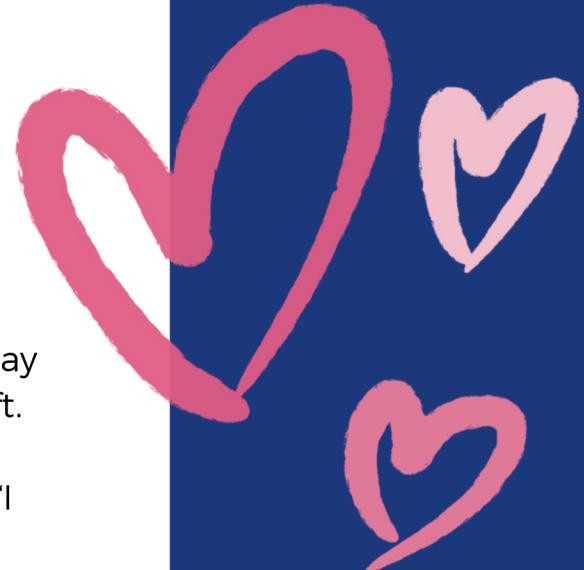

A quick Pinterest search offers many creative DIY projects -from beginner to advanced level. One of our favorites is the "52 Reasons Why I Love You" cards. To create this unique gift, you need a deck of playing cards, cardstock, scissors, and a marker. Cut 53 pieces of cardstock slightly smaller than the size of a playing card. On the first cardstock write "52 Reasons Why I Love You". On each of the other 52 pieces of cardstock, write all the reasons you love that special someone. Tie it up with a bow and remember to sign the final card.

### Join Our February Challenge: "Share the Love!"

Stay crafty, my friends!
