

Happy  
Mother's  
Day

*Mothers are  
like buttons -  
they hold  
everything  
together.*

Hello, Crafty Friends!

As the flowers bloom and the days grow longer, we're reminded how creativity blossoms when we take time for ourselves. May is the perfect month to refresh your craft supplies, finish a few projects, and, of course, start a few new ones! Thank you for being part of our wonderful crafting community — you inspire us every day!

A special shoutout to all the amazing **moms, grandmas, and mother figures** — your love, creativity, and encouragement are the heart of so many beautiful memories. We celebrate you this Mother's Day and thank you for all the ways you lift, nurture, and inspire those around you — both in life and in our crafting community. Let's celebrate creativity, love, and all the little moments that make life beautiful this month!
