

Crafty Mail

August 2026

Dear Crafty Friends,

Hello, August! It's hard to believe we're already wrapping up another month of summer! As August arrives, we're looking forward to squeezing in every last bit of sunshine while continuing to fill the studio with creativity, laughter, and wonderful memories.

Whether you're looking to learn a new technique, finish up a project you've been meaning to complete, or simply enjoy a relaxing evening crafting with friends, we have something for everyone this month. From classes and workshops to Open Studio and our monthly crop, there are plenty of opportunities to get inspired and spend time doing what you love.

As summer begins to wind down and back-to-school season approaches, we encourage you to take a little time for yourself. Creativity has a wonderful way of helping us slow down, recharge, and reconnect, and we're so grateful to provide a place where friendships grow right alongside beautiful handmade projects.

Thank you for continuing to support Crop, Paper, Scissors and for being such an important part of our creative community. Every visit, every class, and every smile shared in the studio means so much to us. We can't wait to spend another month creating, laughing, and making memories together.

We look forward to seeing you at the studio this August!

Jori
