

Crafty Mail

March 2026

Dear Crafty Friends,

March is here, and with it comes the first hints of spring and a fresh burst of creativity at Crop, Paper, Scissors. As the days get a little longer and a little brighter, we're ready to fill the studio with laughter and projects that celebrate the new season.

This month is all about renewal and making memories. From festive spring-inspired crafts to special events designed for families, March is the perfect time to try something new or revisit a project you've been meaning to finish. We love seeing our tables filled with scrapbookers, painters, stitchers, and crafters of all kinds sharing ideas and encouraging one another.

We hope you'll join us for workshops, open studio time, and all the creative moments in between. As always, there's no pressure for perfection — just a welcoming space to make, connect, and be inspired.

Thank you for being part of our crafty community. We can't wait to spend another creative month with you.

March 2026

NOT JUST A FUNDRAISER

On March 31st, we are hosting a **Bingo FUNdraiser** to raise money for the **American Heart Association - Toledo Heart Walk**.

This event is incredibly special to me because in 2011, I lost my dad to a widow maker heart attack. I walk each year in his memory, and creating this night is one small way I can continue honoring him while helping raise awareness and funds for heart health.

Your support truly means so much – and while the reason behind it is deeply personal, the night itself will be filled with laughter, crafty prizes, and plenty of FUN. After all, bingo is in FUNdraiser for a reason!

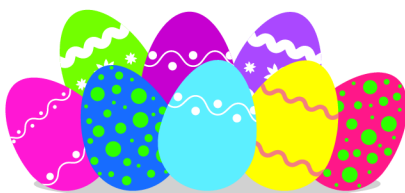

EGG-STRAVAGANZA AT THE STUDIO!

We're so excited to introduce a brand-new event at the Craft Studio!

On March 21st from 10:00am-12:00pm, kids are invited to join us for our very first Egg-Stravaganza – a festive Easter crafting experience where little hands will decorate colorful artificial eggs using fun, creative supplies.

Grab your kids or grandkids and join us for a sweet, creative morning together! We'll begin promptly at 10:00am with a short welcome and instructions, making it a structured and special time just for our young crafters.

It's the perfect way to celebrate the season, spark creativity, and start a fun new spring tradition at the studio.
