

Crafty Mail

April 2026

Dear Crafty Friends,

Hello, April! With brighter days, blooming inspiration, and a fresh sense of creativity in the air, we're so excited to welcome a new month at Crop, Paper, Scissors. There's something about this season that sparks new ideas, encourages creativity, and makes crafting feel even more joyful.

This month is full of celebration for us as we gear up for our 3rd Anniversary! We're so grateful for the incredible community that has grown within our studio walls. Whether you've been with us since the beginning or just recently joined, you are what makes this space so special.

April is also a wonderful time to create meaningful memories. From spring-themed crafts to special events, there are plenty of opportunities to get inspired and enjoy the creative process. Bring a friend, try something new, or simply carve out a little time for yourself—we've got a seat waiting for you.

As always, there's no pressure here—just a welcoming space to create, connect, and have fun. After all, we're all about the FUN in crafting... and this month, we have even more reasons to celebrate it.

Thank you for being such an important part of our crafty community. We can't wait to create with you this April.

Jori

April 2026

Kid-Friendly Events at the Craft Studio!

We had the best time at our very first Egg-Stravaganza! The studio was filled with laughter, bright colors, and so much creativity as our little crafters decorated their eggs and made special memories. It was such a joy to see families creating together, and we loved every minute of it!

We're excited to introduce our newest kid-friendly series: **Make it with Mom!** Each month, little crafters can join us to create a fun project alongside their mom—or any special lady in their life. It's all about quality time, creativity, and making memories together, all for just \$15 each session.

Make it with Mom!

Join us for a sweet morning of creativity! Kids will paint a red clay flower pot and create colorful hot glue flowers to "plant" inside their pot for a keepsake that will last forever.

Saturday, April 25
10:00am-12:00pm
