

Crafty Mail

September 2026

Dear Crafty Friends,

Hello, September! It's hard to believe summer is already winding down and a new season is just around the corner. As we welcome September, we're excited to fill the studio with creativity, laughter, and plenty of opportunities to slow down and enjoy some time doing what you love.

With a new month comes a fresh lineup of classes, workshops, Open Studio nights, and our monthly crop. Whether you're ready to start a new project, finish something that's been sitting on your craft table, or simply spend an evening creating with friends, we hope you'll find something that inspires you!

September is the perfect time to embrace all things cozy and creative. As routines settle back in and the busyness of fall begins, we encourage you to make a little time for yourself. There's something special about stepping away from the everyday, getting creative, and enjoying good conversation with fellow crafters.

Thank you for continuing to support Crop, Paper, Scissors and for being such an important part of our creative community. We're so grateful for every class you join, every project you create, and every memory made around our tables.

We can't wait to welcome you into the studio this September! 🍁

What you'll be making!

MARK YOUR CALENDARS FOR OUR 3RD ANNUAL CRAFT FAIR!

Crafting Tip!

Before you throw away leftover cardstock, patterned paper, or ribbon, save the smaller pieces! They're perfect for adding little details to cards, creating paper flowers, layering sentiments, or making handmade tags. A tiny scrap can become the perfect finishing touch!
